

THE 2010
LINCOLN NAVIGATOR

L I N C O L N
MAKE YOUR MARK

EMPOWERMENT ZONE.

Lincoln Navigator in Ingot Silver Metallic with available equipment.

HIGH STANDARDS. Navigator and Navigator L have them. Power-deployable running boards extend automatically when you open a door. A Rear View Camera displays what's behind you when backing up. Lincoln SYNC® handles your calls and music. 20-in. chrome-plated aluminum wheels ensure that you arrive in style, while a power liftgate and PowerFold® 3rd-row seat offer additional assistance.

PLOT YOUR COURSE. With Navigator's available voice-activated Navigation System, just speak your destination and a course is plotted. A bird's-eye view shows landmarks for reference. And with nearly 10 gigabytes of hard drive storage, you can display photos and rip entire CDs or just your favourite songs (up to 2400 of them). When equipped with the Navigation System, voice-activation also controls SIRIUS® Satellite Radio! Surf up to 120 channels, including 100% commercial-free music, plus the best sports, news, talk and entertainment, all across Canada. You'll even get online access to SIRIUS with the 6-month prepaid subscription that's included on every 2010 Lincoln Navigator.

*See your Lincoln Dealer or contact SIRIUS at 1.888.539.7474 for more information.

VOICE-ACTIVATED MOBILE AND MUSIC. Enter Lincoln Navigator with your paired

Bluetooth®-enabled mobile phone or plug your digital media player into its USB port. The Lincoln SYNC®² voice-activated communications and entertainment system knows you're there. Press a steering wheel button, say, "Call office" or "Play Genre: Rock," and it follows your commands. But that's not all. Developed in concert with Microsoft®, SYNC with 911 Assist™ can place an emergency call from your phone if any airbag has deployed.³ And unlike other systems that send you to a call centre first, SYNC connects you directly to a 911 operator. You talk. SYNC listens.™

²Some mobile phones and some digital media players may not be fully compatible. Visit SyncMyRide.ca for full connectivity details. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ³The vehicle's electrical system (including the battery), the wireless service provider's signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed.

THX® II CERTIFIED 5.1 SURROUND AUDIO SYSTEM. Experience home-theatre sound in Lincoln Navigator.

Whether you're driving or comfortably seated in Navigator's 3rd row, you'll experience the "sweet spot" in THX sound reproduction with the available THX II Certified 5.1 Surround Audio System. Experience DVD-Audio discs in true surround sound and listen to CDs, MP3s, SIRIUS Satellite Radio, and even digital music stored on your phone like never before. In this acoustically engineered cabin, 14 strategically aimed and focused speakers ensure a high-impact listening event.

**ON COURSE. CONNECTED.
AND READY FOR SOME FINE-TUNING.**

Lincoln Navigator in Tuxedo Black Metallic with available equipment.

VIP SEATING. IN ALL THREE ROWS.

Lincoln Navigator L leather-trimmed seats in Camel. Figured Maple wood trim.

A CAPACITY FOR CARGO. To access the spacious rear cargo area, the power liftgate of Lincoln Navigator opens and closes easily. Just press a button on the instrument panel, your key fob, or in the rear cargo area. To utilize 2925 litres (103.3 cu. ft.) of cargo space in Navigator or an amazing 3630 litres (128.2 cu. ft.) in Navigator L, simply fold down the 2nd- and 3rd-row seats.

3RD ROW. STILL FIRST CLASS. With best-in-class¹ leg room and exceptional head room, Navigator's 3rd row lets even adult passengers ride in style. Outlets for the heating and cooling system help keep them comfortable. Choose the available Rear-Seat DVD Entertainment System and both 2nd- and 3rd-row passengers can view the action on the 8-in. colour screen.

¹Full-Size Luxury SUV class.

SECOND ROW MAKES IT 7 OR 8. Standard Navigator seating for seven gives 2nd-row passengers dual reclining leather-trimmed, heated seats and a large centre floor console. For pass-through access to the 3rd row, a 2nd-row option without the centre console is available. An 8-passenger configuration features an available 2nd-row 40/20/40 split-folding bench seat with heated outboard seats.

FRONT ROW ACCOMMODATIONS. Heated and cooled leather-trimmed driver and front-passenger seats provide three levels of warm and cool luxury, as well as 10-way power controls for finding that perfect position. Settings for the power driver seat and power-adjustable pedals can be programmed and recalled by two different drivers.

ENLARGE YOUR TERRITORY.

POWERFULLY PERSUASIVE. Teamed with a wide-ratio 6-speed automatic transmission that provides precise shifts, the 2010 Lincoln Navigator's authoritative 5.4L 3-valve V-8 Flex Fuel engine works with purposeful precision to deliver 310 hp and 365 lb.-ft. of torque. The fact that it achieves those numbers on regular unleaded (87 octane) fuel – not premium – is all the more impressive. Equally noteworthy is the engine's deceleration fuel shutoff tuning that helps the up-to-8-passenger Navigator save fuel. As you back off on the accelerator while coasting on the highway, the system automatically shuts off fuel, helping to improve fuel economy.

At the pump, Navigator even allows for a choice of fuel. Flex Fuel capability means Navigator can operate on E85 (85% ethanol/15% gasoline), gasoline, or any blend of the two. As you drive, an advanced Powertrain Control Module determines the ethanol/gas mixture and automatically adjusts for optimum performance. So whatever your fuel of choice, Navigator's tenacious V-8 empowers you to tow heavy loads with ease. In fact, properly equipped Navigator models allow you to tow up to 3946 kg (8700 lbs.)! A Tow/Haul Mode in Navigator's 6-speed automatic transmission helps keep the vehicle from gaining too much speed when going downhill. Going uphill, it helps the engine stay in its power band by holding a transmission gear for a longer time.

*Towing capacity for Navigator L 4x4 is 3856 kg (8500 lbs.).

Standard power features include a power liftgate (very helpful in accessing all that cargo area), power-deployable running boards, 10-way power driver and front-passenger seats, power-adjustable pedals and power-folding, heated sideview mirrors. If you're moving packages instead of people, press the buttons in Navigator's ample cargo area to fold down each side of the 60/40 split PowerFold® 3rd-row seat, creating a flat loadfloor.

A FIRM FOUNDATION.

EXTENSIVE COVERAGE. Six standard airbags offer enhanced protection in Lincoln Navigator and Navigator L. Driver and front-passenger coverage includes dual-stage front airbags and front-seat side airbags. All outboard passengers benefit from the side-curtain airbags and rollover sensor in the Safety Canopy® System. In certain types of side-impact or rollover events, side-curtain airbags deploy from the headliner to cover all three rows of the vehicle.

WELL GROUNDED. Also standard is AdvanceTrac® with RSC® (Roll Stability Control™); the industry's only electronic stability control system with two gyroscopic sensors – one of which is a unique vehicle-roll motion sensor that directly measures the roll rate 100 times every second. Working in conjunction with the Anti-lock Brake System (ABS), traction control and yaw control, AdvanceTrac with RSC uses the roll rate and other information to automatically determine when and how it will apply individual brakes and modify engine power to help keep all four wheels of Lincoln Navigator firmly planted.

*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

ATTENTION-GETTER. Additional peace of mind comes from the standard SOS Post-Crash Alert System,^{TM2} which becomes operational in the event of airbag deployment or safety belt pretensioner activation. If either of these occurs, the hazard lights flash and the horn sounds so that your vehicle may be more easily located. In this case, drawing attention to yourself is a very good thing.

²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

SENSING SYSTEMS. The sensors in the standard Forward Sensing System send out ultrasonic signals that help identify large, stationary objects in front of Lincoln Navigator when parking or pulling into a garage. An audible tone gets more rapid as you close in on an object, telling you to stop. The standard Reverse Sensing System provides similar coverage in the rear as you back up.

STANDARD | LUXURY FEATURES

ENGINE

5.4L SOHC 3-valve V-8 FFV
310 hp @ 5100 rpm/365 lb.-ft. of torque @ 3600 rpm
106-litre fuel tank

DRIVETRAIN

6-speed automatic transmission with Tow/Haul Mode
Control Trac® 4-wheel-drive (4WD) system

WHEELS

20-in. split-spoke chrome-plated aluminum
18-in. steel spare

Cargo and load capacity limited by weight and weight distribution.

SEATING

1st-row premium leather-trimmed, heated and cooled, low-back bucket seats with 10-way power adjustments, including power lumbar and recline, 2-way adjustable head restraints with embroidered Lincoln Star and driver-side memory
2nd-row leather-trimmed, heated, low-back fold-down bucket seats with recline and easy entry to 3rd row
3rd-row PowerFold® 60/40 split bench seat (vinyl-trimmed)

AUDIO | COMMUNICATION SYSTEMS

THX® II Certified Audio System with AM/FM stereo and 6-disc in-dash CD changer with MP3 capability; driver-adjustable, speed-compensated volume control; and 14 speakers (including an 8-in. subwoofer)
SIRIUS Satellite Radio including receiver, low-profile antenna and 6-month prepaid subscription
SYNC voice-activated, in-vehicle communications and entertainment system (with USB port in 1st-row centre floor console)

SAFETY | SECURITY

Personal Safety System™ for driver and front passenger includes dual-stage front airbags² safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, crash severity sensor and restraint control module
AdvanceTrac® with RSC® (Roll Stability Control™)
3-point safety belt restraints for all seating positions; height-adjustable in 1st row
Front-seat side airbags²
Lower anchors and tether anchors for child-safety seats (LATCH) in all 2nd-row seating positions; tether anchor only in 3rd-row centre
Perimeter anti-theft alarm
MyKey™ owner controls feature
Remote keyless-entry system with integrated key transmitter remotes (2), illuminated entry, and security approach lamps in sideview mirrors
SecuriCode™ keyless-entry keypad mounted on driver door
SecuriLock® passive anti-theft engine immobilizer system
Safety Canopy® System with 3-row side-curtain airbags² and rollover sensor
SOS Post-Crash Alert System™

NAVIGATOR L

In addition to equipment on Navigator:
693 litres (24.5 cu. ft.) of additional cargo space behind the 3rd-row seat
Cargo Management System
128-litre fuel tank

¹Maximum towing capability when properly equipped. Maximum capability will vary based on passenger and cargo loads, and optional equipment installed on the vehicle. See your Ford of Canada Dealer for more information.

²Always wear your safety belt and secure children in the rear seat.

AVAILABLE | PACKAGE

MONOCHROME APPEARANCE PACKAGE

- Chrome upper grille; body-colour lower grille
- Body-colour lower bodyside cladding with chrome "NAVIGATOR" lettering
- Body-colour hood accent
- Power-folding, heated sideview mirrors with body-colour mirror caps

AVAILABLE | EQUIPMENT

- 2nd-row leather-trimmed 40/20/40 split-folding bench seat with fold-flat feature, outboard heat and recline, and centre section that slides forward
- 2nd-row centre floor console delete
- Rear-Seat DVD Entertainment System with 8-in. screen, remote control and 2 sets of wireless headphones
- Voice-activated, hard drive-based Navigation System featuring nearly 10 gigabytes of digital storage for pictures and music, and on-screen image from Rear View Camera; THX II Certified 5.1 Surround Audio System with AM/FM stereo/single-CD/DVD/Jukebox, MP3 capability, 14 speakers (including an 8-in. subwoofer), 600 watts of power and 12-channel amplifier

AVAILABLE | ACCESSORIES

- 22-in. chrome cast-aluminum wheels¹
- All-weather floor mats
- Cargo-Logic[®] System
- Dual INViSiON™ DVD Headrests²
- Garmin[®] portable navigation systems²

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Lincoln Dealer for details or check us out at fordcredit.ca.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for more information on ESP products that are right for you.

Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 48-month/80,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Lincoln Dealer for details.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford engineering requirements. Contact your local Lincoln Dealer for details regarding the accessory manufacturer's limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer.

Ford ESP PremiumCare Plan. Depending on the Ford ESP Plan you select, some Dealer-installed Genuine Ford Accessories can be covered up to 7 years or 150,000 km. See your Lincoln Dealer for details.
